

Internship Design (m/f/d)

Full Time 📍 Feldmühlepl. 15, 40545 Düsseldorf, Deutschland

The GROHE in-house design team is looking for creative and motivated interns in the fields of graphic design or product/industrial design to take part in its Creative Educational Program. The program integrates students into the complete design process of a project. Working with an award winning international team of Designers, Creative Directors and Project Managers, successful applicants will gain practical experience in a multi-cultural environment with a multiple award-winning team. The internship will be 6 months.
