

Dear young designer,

Light + Building is the world's leading trade fair for lighting and building service technology with the world's biggest lighting showroom. We offer the opportunity to make contact with over 210,000 international trade visitors and more than 2,450 exhibitors, around 1,500 of them from the lighting sector and thus potential manufacturers for your product ideas, and to find channels of distribution for your designs. You also have the chance to make contact with representatives of the international trade press, many of whom will be in Frankfurt for Light + Building, and to draw their attention to your work.

You will get a 6 m<sup>2</sup> stand fully equipped with walls, carpeting, furniture and lighting sockets free of charge. Please find all necessary information enclosed. Please note that at Light + Building 2016 we will support a maximum of 15 participants with a free stand within the project Young Design. In case of receiving acknowledgements of more than 15 participants interested and all suit the criteria the decision will be made by the date of receipt of the acknowledgement.

Katharina Hennig is the person in charge for Young Design at Light + Building 2016 – I will be at your disposal again from December 9th, 2015. You can contact me via phone +49 69 7575 5850 or via email: [katharina.hennig@messefrankfurt.com](mailto:katharina.hennig@messefrankfurt.com).
